Wall Hanging:

Note: Refer to the wall hanging drawing throughout the following steps. Press all seams toward the border strips.

1. Sew the (3) 1 ½” x 42” green berry print strips short ends together to make a long strip. Press seams to 1 side. Cut into (2) 43 ½” strips. Sew the strips to the long sides of the panel. Sew the 1 ½” x 25 ½” green berry print strips to the top and bottom.
2. Sew the (3) 4 ½” x 42” red gingerbread print strips short ends together to make a long strip. Press seams to 1 side. Cut into (2) 45 ½” strips. Sew the strips to the long sides and the 4 ¼” x 33 ½” strips to the top and bottom.
3. Join the (3) 2 ½” x 42” tan waffle print strips and cut into (2) 53 ½” strips. Sew the strips to the long sides and the 2 ½” x 37 ½” strips to the top and bottom.
4. Join the (3) 1 ¾” x 42” black bakery print strips and cut into (2) 57 ½” strips. Sew the strips to the long sides and the 1 ¾” x 40” strips to the top and bottom to complete the quilt top.
5. Remove the selvage edges from the backing pieces. Join the pieces on the long edges with a ½” seam allowance. Press seam open. Trim the side edges to make a 48” x 68” backing piece. Cut (2) 9 ½” squares from the trimmed-off pieces and set aside for potholder backings.
6. Layer, quilt, and bind, using your favorite methods and the green berry print binding strips, to complete the wall hanging.

Potholders:

1. Fold the black 3 ⅞” square in half and crease to mark the centerline. Repeat to mark the opposite centerline. Fold each green C triangle in half and crease to mark the centerline.
2. Sew a green C triangle to opposite sides of the black square, matching the creased centerlines. Press seams toward the triangles. Repeat with green C triangles on the remaining sides of the black square.
3. Center and sew a black B triangle to opposite sides of the pieced unit. Press seams toward the triangles. Repeat with black B triangles on the remaining sides of the pieced unit.

4. Sew a black A triangle between 2 green A triangles to make a strip. Press seams toward the green triangles. Repeat to make 4 strips total.

5. Center and sew a pieced strip to each side of the pieced unit. Press seams toward the strips.

6. Sew a black B triangle to each angled edge of the pieced unit to complete the black/green potholder top. Press seams toward the triangles.

7. Repeat steps 1-6 to complete the green/red potholder top using the green 3 ½” square and green A and B triangles and red A and C triangles.

8. Cut two 9 ½” squares of heat-resistant batting.
9. Place a 9 ½” backing square right side up on a batting square. Place a potholder top right side down on the backing square. Pin to hold. Stitch around the outside, leaving a 4” opening in the center of 1 side.
