**PIECING INSTRUCTIONS:** Use ¼" seam allowances.

1. Choose a large dark square and 4 smaller light squares and with right sides together, lay a smaller square in each corner of the larger square. Sew diagonally across the smaller square from corner to corner and trim off the excess (Figure 1.) Open up and press.

Figure 1  
Finished size of square: 4"

2. Sew each of the large dark squares in the same manner and then proceed to sew each of the large light squares in the same manner only using dark small squares in the corners.

**QUILT ASSEMBLY:**

1. Lay out blocks, alternating light and dark blocks.
2. Sew into rows and then join the rows.
3. Measure quilt and cut two 2" inner border strips for each side; sew. Measure quilt including the borders and cut the two remaining 2" borders; sew to top and bottom of quilt..
4. Use same measurement as for the second set of inner borders and cut four 4½" borders. Sew two to the sides of the quilt. Sew a snowball block to both ends of the remaining borders and press. Sew these to the top and bottom of the quilt.

**FINISHING:**

1. Sew the remaining three 4½" strips together end to end; press and cut in half. Sew one half to each side of the backing fabric to extend width; press.
2. Layer quilt top, batting, and backing. Baste layers together.
3. Quilt as desired.
4. Trim the batting and backing even with the quilt top.
5. Join binding strips with a diagonal seam. Press seams open. Apply binding using your favorite method.
